

Consent form for participation in the research project

Context-specific value identification in humanitarian programs feedback data: a Hybrid Intelligence approach

Please read the statements below and tick the final box to confirm you have read and understood the statements and upon doing so agree to participate in the project.

I confirm that I am 18 years of age or over.

I consent to the material I contribute being used to generate insights for the research project.

I consent to audio recordings being used in this study as explained in the information sheet. I understand that I can request to stop recordings at any time.

I understand that if I give permission, the audio recordings will be held confidentially so that only Raoul Brigola (r.j.brigola@students.uu.nl) and Davide Dell'Anna (d.dellanna@uu.nl) have access to the recording. I understand that personal data that is contained in the recording (i.e. my voice) will be collected from me. The recordings will be held only in University Utrecht authorized computers until 12-2024 latest, after which they will be securely destroyed. In accordance with the General Data Protection Regulation (GDPR) I can have access to my recordings and can request them to be deleted at any time.

I understand that my participation in this research is voluntary and that I may withdraw from the study at any time without providing a reason, and that if I withdraw any personal data already collected from me will be erased.

I consent to allow the fully anonymized data to be used in future publications and other scholarly means of disseminating the findings from the research project.

I understand that the data acquired will be securely stored by researchers, but that appropriately anonymized data may in future be made available to others for research purposes. I understand that the University may publish appropriately anonymized data in appropriate data repositories for verification purposes and to make it accessible to researchers and other research users.

☐ I confirm that I have read and understood the above statements and agree to participate in the study (Check the box).
